

# OUT-OF-BODY VISUALIZATION

Write three "what if" questions to help stimulate new creative ideas:

Example: What if skateboards could fly? What if human beings had three legs instead of two?

---

---

---

A puppy is locked in a car on a hot day. How might the following individuals solve this dilemma?

A punk rocker:

Kathy Lee Gifford:

An aerospace engineer:

Ghandi:

---

---

Imagine for a moment that it is possible to be trapped inside the following items. Describe your situation to rescuers who are trying to find you. What do you see, hear and smell? How do you feel?

A toaster:

---

---

---

---

The trunk of a car:

---

---

---

---

A light bulb:

---

---

---

---

You've been transformed into a member of the opposite sex for 24 hours. Name five things you do:

---

---

---

---

---
